Company

Crist | Kolder is a premier, high-end executive search firm. We partner with clients in recruiting new executives for their leadership team, typically we are engaged to recruit CEOs, CFOs, and Board Members.

Clients

Our client portfolio is a diverse mix, including: Fortune 500 companies, private equity firms, family owned companies, and pre-IPO entities. Recent clients include: Abercrombie & Fitch, Allstate, American Express, Bacardi, Delta Airlines, Dick's Sporting Goods, DirecTV, General Electric, Guitar Center, HP, Kraft, McDonald's, Polaris Industries, Wendy's, and Xerox.

Responsibilities

During the 12 week internship with the Firm, the Research Analyst's primary focus will be to execute a major project, known as the *Crist | Kolder Volatility Report*. This annual research study examines the volatility of movement at the CEO, COO, and CFO levels of the top publicly traded companies in the United States. Each year, this report consistently garners press from such publications as *The Wall Street Journal*, *Business Week*, *Forbes*, *The Economist*, and the *Financial Times*. The most recent addition of the *Crist | Kolder Volatility Report* can be found at: www.cristkolder.com

Furthermore, the Research Analyst will work on additional projects over the course of their internship, including:

- Analyzing industry trends and building the firm's knowledge about particular industries, companies, and executives
- Monitoring recent market developments affecting companies and key executives
